

POLY-SEAL

HD35, HD40 Water tight pipe seals

Advantages:

- Mounts on existing locators for easy conversion
- Accommodates 4" SDR 35 pipe (HD35) or 4" SCH 40 pipe (HD40)
- Eliminates grouting

Applications:

- Septic Tanks
- Distribution Boxes
- Drainage Boxes

Water Tight:

- Will hold over 10 inches of mercury vacuum
- Equivalent to over 20 PSI pressure

Installation:

- Bevel leading edge of pipe
- Use pipe gasket lubrication
