

BOWCO
INDUSTRIES INC.

Bowco Pulling Iron & Pocket With Snap-N-Seal™ System

Patent #6688049

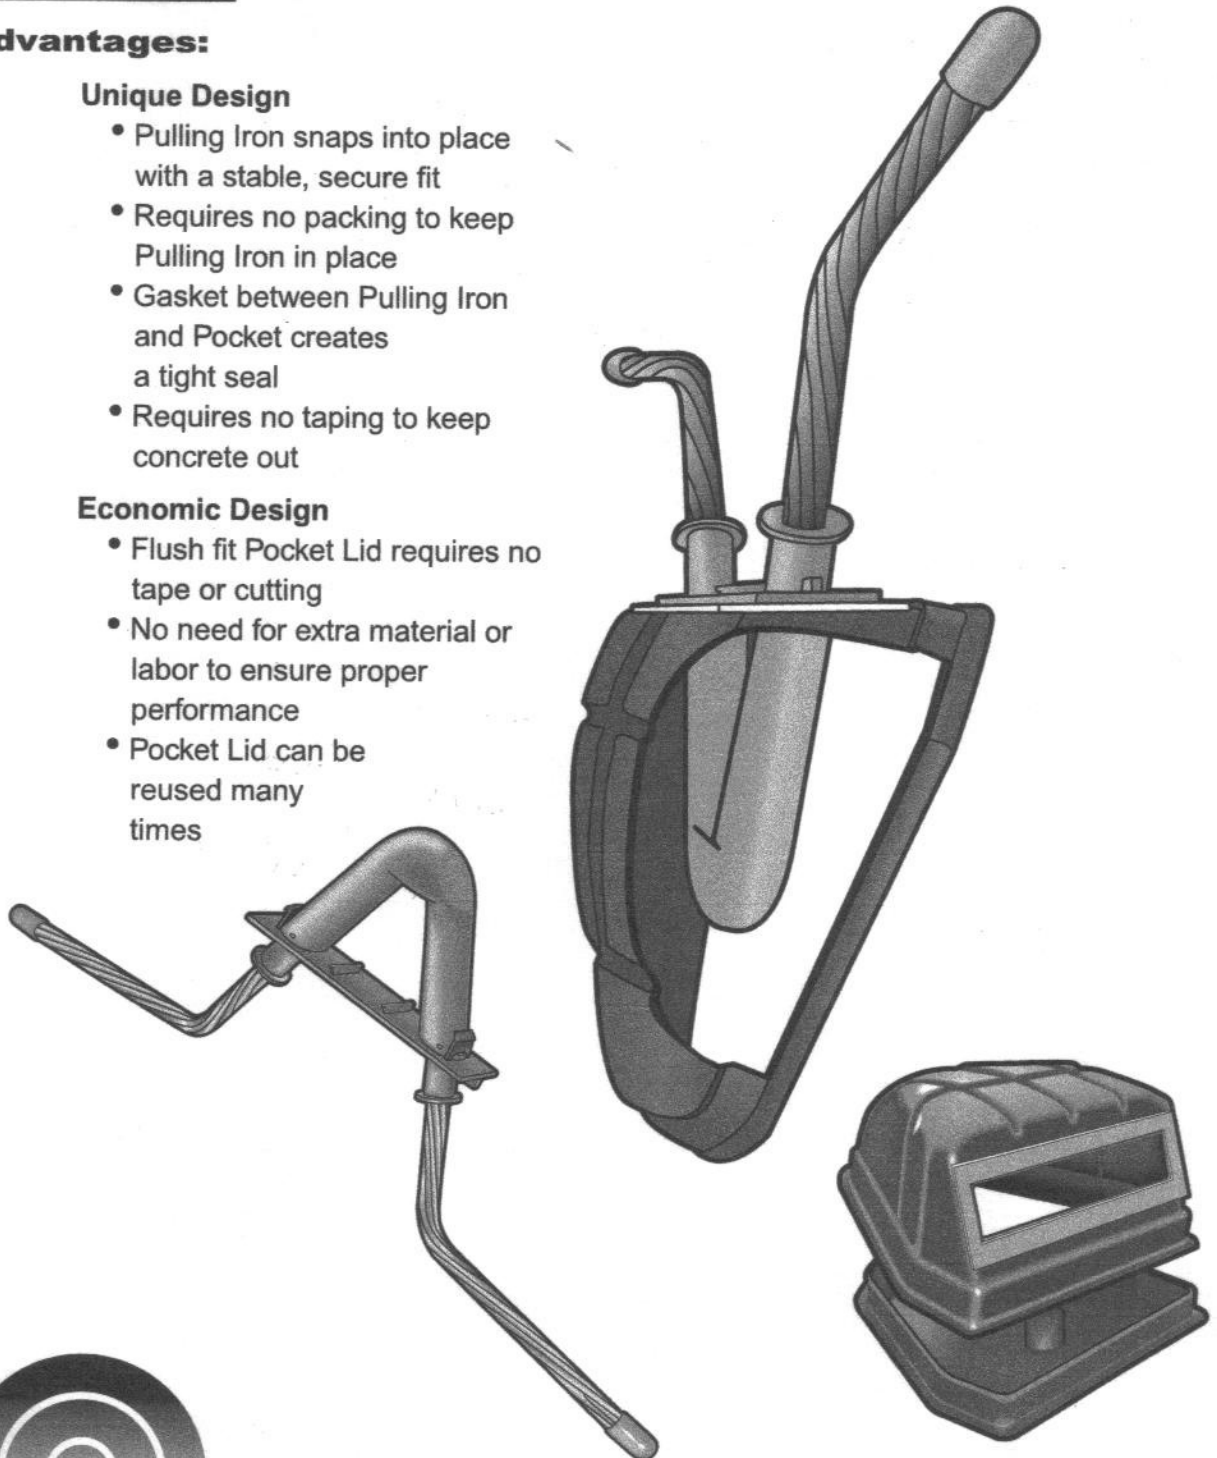

Advantages:

Unique Design

- Pulling Iron snaps into place with a stable, secure fit
- Requires no packing to keep Pulling Iron in place
- Gasket between Pulling Iron and Pocket creates a tight seal
- Requires no taping to keep concrete out

Economic Design

- Flush fit Pocket Lid requires no tape or cutting
- No need for extra material or labor to ensure proper performance
- Pocket Lid can be reused many times
